A Word about Wednesday night meets

The Wednesday meets (b-meets) are the heart and soul of the swim team - they are the meets where everyone gets to swim; they are the meets that get all the kids together in one spot to cheer for each other. They are the meets that allow fledgling swimmers to test their wings and experienced swimmers a chance to take some risks. Every swimmer is a b-meet swimmer. Every parent is required to take a job for at least one b-meet. If you don't sign-up, we will assign you one.
